- ~ Derek Dingles books
- ~ David Solomons book 'Solomons Mind'
- ~ Harry Loraynes Books

* None of the above lists are in any particular order*

** This paper was put together quickly with all of the information coming off the top of my head. So without any desire to do so, I have probably omitted a book or two from these list. It also goes without saying that these list are my opinion, but with 20 years experience I think my opinion just might be worth something.

Thanks for your interest!
